

AFSCME Local 4024 Working For You

AFSCME Local 4024 is working to keep childcare providers informed. Our plans include making our members aware of upcoming training opportunities in our area. We believe this training will enable childcare providers to run their businesses more effectively. Look for our newsletter announcing upcoming events.

One of Local 4024's goal is to increase member participation. Your involvement is a key element in our success. Union meetings are held every second Saturday of the month at 10am at the union hall which is located at 1603 East 27th Street, Cleveland, OH. 44114.

However, every third month, the meeting is held in Lorain county. Local 4024 welcomes any questions or concerns child care providers may have. Simply contact one of our officers for assistance. Non-members can also elect to sign up at a union meeting or contact one of the board members as well.

Local 4024 is excited to see the changes that have evolved from hard work and support. These changes will provide many opportunities to the successes of our childcare providers. Take advantage of the prospects that will be accessible.
